My name is Ahmed . I'm in grade ٦. I like doing sport in order to become fit. Today I'm going to tell you about the sport club that I joined in my city. In the sport club , you can paly football with your friends. There is a big swimming pool. You can swim anytime. You can also play tennis. If you don't know how to play , there are some lessons done by a tennis couch. You can also rent a bike and do cycling. Unfortunately, you can't play cricket because the tools aren't available there.
